25X1 SUBJECT Artillery Unit at Tab

25X1

DO NOT CIRCULATE

1. At the end of 1950 an army barracks compound was erected 3 km. from Tab (Y5/W90), along the highway to Megyer.
2. In June, 1951 the first unit to occupy the barracks, an artillery unit of unknown size, moved in. [REDACTED]
3. During October 1951 this artillery unit was observed moving along the highway to Tab. There were 24 pieces of artillery, each drawn by 4 horses. Behind each piece there was a gun-carriage likewise drawn by 4 horses. The length of the gun barrels was approximately 4½ m. with a caliber of 15 cm.
